U.S. PATENT 9,546,889, JANUARY 17, 2017

The Industry Leader in Isolation & Hydrotest Paddle Blind Storage

Storage, transportation and minimizing loss of a large number of blinds has always been a difficult task. As the industry leader for purchasing or renting industrial isolation and hydrotest blinds, we know the difficulty of managing and maintaining small-to-large inventories of isolation and hydrotest blinds. Our goal with the EZ Lock Blind Rack is to prevent common issues such as loss, theft, transporting security, personal injury and more!
