

EZ STORE™

BLIND FLANGE RACKS

For industrial plants, managing the storage, transportation, and minimizing loss of numerous blind flanges has always posed challenges. USA Industries stands out as the Best in Class choice for purchasing and renting blind flanges across various piping sizes. Now, we introduce a comprehensive storage solution for your site inventory of blind flanges. EZ Store Blind Flange Racks aim to provide active job sites with a stable and organized storage solution for rented or purchased inventories before, during, and after turnarounds, maintenance jobs, or projects.
