USA Industries expands its location in Louisiana

By Heat Exchanger World Publisher - July 27, 2023

USA Industries, LLC is expanding its base and opening a new product and sales warehouse location in the Ascension Parrish of Louisiana (Prairieville, LA).

The 10,000 square foot building will offer customers a full line of its industry leading piping

isolation and testing products including paddle, spectacle and spacer blinds, blind flanges, the patented EZ Lock Blind Rack®, and USA Industries exclusive GripSafe®ST line of pipe plugs. Also available will be the company's heat exchanger tube plugs including its Snap It® Jr. & Sr. PCC-2 compliant engineered tube plugs, shoulder plugs, EZ Torque® shoulder plug gaskets and more.
